Mae'n bwysig iawn deall symptomau'r coronafeirws.

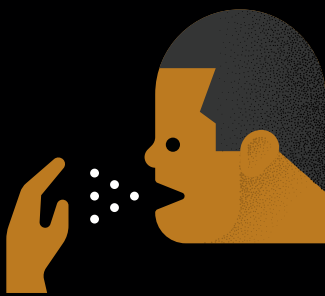

Os oes gennych beswch newydd, parhaus, tymheredd uchel neu os nad ydych yn gallu blasu neu arogl, efallai bod gennych y coronafeirws. Rhaid hunanyysu a gofyn am am brawf cyn gynted â phosibl.

It's really important to understand the coronavirus symptoms.

If you have a persistent cough, high temperature or loss of taste or smell, you may have coronavirus. You must self-isolate and request a test as soon as possible.
