Please note – to attend the training on Microsoft Teams the following criteria would have to be met:

- A good internet connection to access Microsoft Teams
- A fully working camera as this will need to be left on at all times throughout the training.
- A microphone (as the courses are interactive)
- A quiet area where there are no distractions.

Please note - the following information below will need to be adhered to access any online training.

If you haven't access to a working camera and microphone you will not be able to attend the course.

Please do not try and access the training if you cannot adhere to these conditions as you will be asked to leave.

Late attendees will not be accepted onto the training.

The £25 non-attendance fee had been waived through the Pandemic but due to the high volume of non-attendance we are experiencing the fee has now been reinstated. 24hrs cancellation notice is required.

If you would like to book on any of the courses, please could you complete the separate booking form (please ensure that the booking form is completed fully) and email it to katie.grenfell@torfaen.gov.uk

Places will be given on a first come, first served basis. Only two places per setting will be allocated unless otherwise stated.

This accredited course is designed for those working or volunteering in the childcare sector – from childminders to nursery and crèche workers. Over 12 hours, candidates will receive a high level of training, to enable them to deal with first aid emergencies affecting babies and children.

The training meets the National Minimum Standards for Regulated Childcare, including changes to age range from 2016.

Please note: Part of this training is on a practical level, if you have any concerns or queries on course suitability please let us know prior to booking a place.

Basic Safeguarding Awareness Training:

Due to the confidentiality and sensitive nature of this course, please ensure that if accessing from home you are in a quiet area where no other family members or children are in the same vicinity.

Solihull Approach 2 Day Foundation Training

This training aims to increase emotional health and well-being, as well as introducing delegates to the developmental effects of childhood trauma in relation to working with children and their families. The Solihull Approach introduces a model for understanding

the impact of relationships on health and wellbeing and the impact of adverse childhood experiences on health and wellbeing. It supports effective and consistent approaches across agencies as a shared framework. The Solihull Approach training is designed for any practitioner working with babies, young children and school-aged children, young people and their families to support the use of the Solihull Approach from any agency.

Family Links Training

The programme introduces the principles and practice of the Nurturing Programme for staff working in Early Years settings. Staff will be trained in the use of the Nurturing Programme that enhances a positive and caring setting ethos.

0-3 Communication Pathway

This is online, free and takes approximately ½ a day to complete. It is a great place to start learning about children's speech and language development. It looks at how you can support the development of these skills on a day-to-day basis in your setting, and how to spot children and young people who might be struggling to develop these important skills:
